## ABOUT OUR COMPANY

**25**  
**YEARS +**  
**OF EXPERIENCE**

### **Building a Brighter Future.**

Serving the Packaging Industries for about two decades, Flexibond incorporated in the year 1996. We are manufacturer and exporter of all types of Industrial Tapes, Self-Adhesive Tapes, BOPP Self Adhesive Tapes, Lane Marking Tape, Printed Tape and all kinds of BOPP tapes. Innovation imagination and customization for tapes keep our company growing. We at Flexibond Industries are passionate about the concept of binding, sticking, adhesion or whatever one can name it!

Our high quality BOPP tapes are developed to perform well even in extreme weather conditions, and have characteristics like non-toxic, odorless, safe, easy to use, high efficiency, high anti-buffering strength, good retraction rate, anti-piercing, good tear resistance and so on.

## COLOUR TAPE

---

We are one of the leading manufacturers of colour or promotional tapes. These tapes are designed according to the needs of customers. The main advantage of colours tape is it can replace the printing cost of cartons.

These tapes are mainly used in e-commerce warehouses and godowns for packing cartons. We can print your company logo, any promotional message, any handling instruction in multiple or single colors. All our promotional tapes are highly recommended in the industry for their unmatched quality standards.

**Features:**

- High tensile strength
- Excellent thickness
- Long shelf life
- Strong grip

## JUMBO ROLLS

---

We are one of the largest manufacturers of in the industry to provide an excellent range of BOPP jumbo roll.

We have latest and state of the art coating & slitting Equipment as well as pneumatically controlled drying system, which provide excellent quality of the products.

For sealing cartons and other boxes in packaging industry BOPP jumbo rolls are widely used. All our jumbo rolls have high tensile strength, durability, different sizes, thickness and colors.

These tapes are made from high grade materials that are resistant to heat, UV proof, damp proof as well as double sided adhesion, safe, easy to use and remove.

## SPECIFICATION

### Technical Specification of BOPP Tape (Biaxially Oriented Polypropylene)

Product ID	Thickness (mil)	Thickness (micron)	Film	Adhesive	Colour	Suggested Application&Usage
PP-36	1.4	36	BOPP	Water Acrylic	Clear&Tan	For light to medium duty applications- General Purpose
PP-38	1.5	38	BOPP	Water Acrylic	Clear&Tan	
PP-40	1.6	40	BOPP	Water Acrylic	Clear&Tan	
PP-43	1.7	43	BOPP	Water Acrylic	Clear&Tan	
PP-45	1.8	45	BOPP	Water Acrylic	Clear&Tan	
PP-48	1.9	48	BOPP	Water Acrylic	Clear&Tan	For medium to heavy cartoon sealing
PP-50	2.0	50	BOPP	Water Acrylic	Clear&Tan	
PP-55	2.2	55	BOPP	Water Acrylic	Clear&Tan	
PP-62	2.5	62	BOPP	Water Acrylic	Clear&Tan	For heavy cartoon sealing
PP-70	2.8	70	BOPP	Water Acrylic	Clear&Tan	

### Product sizes

Width (mm)	12	18	24	36	48	50	60	72	96	120	144	240	288
Width (inch)	0.47	0.7	0.94	1.4	1.8	1.9	2.3	2.8	3.7	4.7	5.6	9.4	11.3
Length (mtr)	65	65	65	100	914	100	100	914	100	100	1000	1000	1000
Length (yrd)	71		71, 110, 1000, 1093										

Remark: Length as per customer required.
